SECTION I—*Government of India Schemes*

SECTION I

Government of India Schemes

1 **Central Overseas Scholarships Scheme** *Object* the scheme is meant for universities, colleges and comparable institutions of higher education[1] in order to enable them to obtain opportunities for their teachers for higher studies/training abroad and thus to raise the standard of instruction and research in the country *No. of Scholarships* 35 *Courses of Study* subjects in which adequate facilities are not available in India *Country of Study* any country where the best facilities are available *Duration* from one to three years depending on the course of study *Qualifications of Candidates* candidates should have a brilliant academic record and about five years teaching experience (those with research experience will be preferred) *Age* 25-40 years *Eligibility* candidates must be sponsored by Central/State Governments universities or comparable institutions of higher education (candidates teaching in affiliated private colleges have to route their applications through the university concerned) *Value of Scholarship* (a) maintenance allowance per mensem—$ 125 (Rs. 543) in Canada, D M 300 (Rs. 340) in Germany Francs 27,562 (Rs. 375) in France Yens 37,800 (Rs. 500) in Japan Kroners 652 (Rs. 600) in Sweden S. Frs. 500 (Rs. 545) in Switzerland £ 35 (Rs. 467) for non-collegiate institutions of Oxford and Cambridge, £37 5 (Rs. 500) for collegiate institutions of Oxford and Cambridge, £ 33 3 (Rs. 444) for other institutions in the United Kingdom and $ 125 (Rs. 595) in the United States of America (b) books essential apparatus and study tour allowance per annum—admissible to scholars for whom purchase of equipment, study tour and books is considered an essential part of their study or training, the amount in each case to be sanctioned for the actual

---

1 See Appendix B

requirements subject to the maximum of $125 (Rs. 543) in Canada, Francs 20 400 (Rs. 400) in France D.M. 352 (Rs. 400) in Germany Yens 30 240 (Rs 400) in Japan, Kroners 434 (Rs. 400) in Sweden, S Frs. 368 (Rs. 400) in Switzerland £ 30 (Rs. 400) in the United Kingdom, and $125 (Rs. 595) in the United States of America (c) tuition and examination fees—actual tuition and examination fees will be paid direct by the Government of India Missions abroad to the university/institution concerned and (d) passage—(i) first class railway fare from the place of residence to the port of embarkation and back (ii) second/tourist class sea passage both ways whichever is available and (iii) railway fare (third class in the United Kingdom Sweden Switzerland France and Japan second class in Germany and coach class in the United States of America and Canada) from the port of disembarkation to the place of study *Financial Implications* the Government of India will contribute 50 per cent of the entire cost of studies abroad of each selected candidate and the remaining 50 per cent will have to be borne by the sponsoring authority (no arrangements between the sponsoring authority and the scholar with regard to the 50 per cent share of the cost of training of the sponsoring authority is permissible) *Applications Invited* in March of the year preceding the one to which the awards relate.

2 **Central States Scholarships Scheme:** *Object* the scheme is meant for studies/training abroad of persons who by birth or domicile are natives of the Union Territories of Manipur Tripura, the Andaman and Nicobar Islands, Delhi Himachal Pradesh and the Laccadive Minicoy and Amindive Islands *No of Scholarships* five, of which two are reserved for candidates from territories other than Delhi (if suitable candidates are not forthcoming from these territories the scholarships will be considered open), *Courses of Study* subjects for which adequate facilities do not exist in India, *Country of Study* any country where the best facilities are available *Duration* from one to three years depending on the course of study *Qualifi-*

cations of Candidates first class Master's degree in arts, science commerce education or agriculture *or* a first class Bachelor's degree in engineering, technology medicine or veterinary science *Age* below 30 years *Eligibility* candidates should by birth or domicile be natives of any of the six Union Territories *Value of Scholarship* same as under Central Overseas Scholarships Scheme *Applications Invited* in April of the year preceding the one to which the awards relate.

3 **Foreign Languages Scholarships Scheme** *Objects* (*a*) to strengthen cultural contacts between India and the countries to which the selected scholars will be sent, (*b*) to train teachers employed in the universities and other institutions teaching foreign languages and thus provide better teaching facilities in these institutions and (*c*) to meet the needs of certain services which require an increasing number of Indians normally proficient in foreign languages *No of Scholarships* 30—three each for Arabic Chinese, French German Italian Japanese Persian Russian Turkish and Spanish languages *Country of Study* Egypt for Arabic China for Chinese France for French Germany for German Italy for Italian, Japan for Japanese Iran for Persian, Russia for Russian, Turkey for Turkish and Spain for Spanish *Duration* two years *Qualifications of Candidates* (*a*) Arabic and Persian—at least a second class Master's degree in the language concerned or equivalent qualifications in terms of oriental degrees and three years experience of teaching the language or of administrative work involving direct use of the language or of research pertaining to the language (*b*) French and German—at least a second class Master's degree in the language concerned or a second class Master's degree in arts or science with a diploma in the language concerned (those who have about three years experience of teaching the language or of administrative work involving direct use of the language will be preferred) (c) Russian—at least a second class Master's degree in arts or science with a diploma or a certificate in the Russian language (those who have some experience of teaching the Russian language will be preferred) and

(*d*) Chinese Japanese Italian Turkish and Spanish—at least a second class Master s degree in arts or science and some knowledge of the language concerned (those who have a diploma or a certificate in the language and/or some experience of teaching the language or of administrative work involving direct use of the language will be preferred) *Age* 25-40 years (relaxable in case of otherwise well qualified candidates) *Eligibility* candidates must be sponsored by Central/State Governments universities colleges or comparable institutions of higher education[1] (unsponsored candidates can also apply but those sponsored will be preferred) *Value of Scholarship* (*a*) maintenance allowance per mensem—Rs. 300 for Arabic, Rs 200 for Chinese Rs 375 for French Rs 340 for German Rs. 450 for Italian Rs. 500 for Japanese Rs. 600 (including tuition and examination fees and study tour allowance) for Persian Rs. 1 190 (including expenditure on books) for Russian Rs 250 for Spanish and Rs. 340 for Turkish, (*b*) clothing allowance of Rs. 500 for Chinese and Russian only, (*c*) books and study tour allowance—the actual cost of books purchased and study tours arranged on the recommendation of the Professor in charge of a scholar up to a maximum of Rs. 400 per annum except in the case of Russian language where Rs. 400 per annum will be for study tours only and Persian language where this is included in the maintenance allowance (*d*) tuition and examination fees—actual tuition and examination fees will be paid direct by the Government of India Missions abroad to the university/institution concerned and (*e*) passage (*i*) first class railway fare from the place of residence to the port of embarkation and back (*ii*) second/tourist class sea passage both ways whichever is available and (*iii*) railway fare (second class in Iran and third or the lowest class in other countries) from the port of disembarkation to the place of study and back *Applications Invited* in September of the year preceding the one to which the awards relate

4 Indo-German Industrial Cooperation Scheme (Post Graduate Studies) *Object* to make available to

1 See Appendix B

Indian nationals facilities offered by the Federal Republic of Germany for post-graduate studies in West German universities and institutions *No. of Scholarships* 25 every alternate year *Duration* two years and two months (two months required, if necessary for acquiring reasonable proficiency in the German language before the commencement of the university session) *Subjects of Study* any branch of science engineering or technology *Qualifications of Candidates* (a) at least a second class Master's degree in science or a second class Bachelor's degree in engineering or technology (b) at least two years teaching, research or practical experience and (c) working knowledge of the German language *Age* below 35 years *Eligibility* candidates must be employed and sponsored by Central/State Governments, universities, colleges or comparable institutions of higher education[1] *Value of Scholarship* (a) maintenance allowance per mensem—D M 300 (Rs. 340) (b) exemption from payment of tuition and examination fees and (c) passage—(i) cost of second class railway fare from the place of training in West Germany to the port of embarkation (on return journey) (ii) second/tourist class sea passage whichever is available, from the port of embarkation to the port of disembarkation in India (on return journey) and (iii) cost of first class railway fare from the port of disembarkation in India to the place of residence (the cost of outward journey from the place of residence in India to the place of training in West Germany and all other expenses will be borne by the candidates or their sponsoring authorities) *Applications Invited* in January of the year to which the awards relate.

5. **Indo German Industrial Cooperation Scheme (Practical Training)** *Object* to utilise the offer made by the Federal Republic of Germany for practical training of Indian nationals in West German Industries *No of Scholarships* 80 every alternate year *Duration* from 6 to 12 months depending upon the nature of training *Subjects of Training* different branches of engineering

1. See Appendix B

and technology for which facilities can be secured at West Germany *Qualifications of Candidates* (a) at least a second class Master's degree in science or second class Bachelor's degree in engineering or technology (b) at least 2 years practical experience in a established firm, workshop institution or laboratory and (c) working knowledge of the German language (in exceptional cases a diploma holder in engineering or technology with at least seven years practical experience who is desirous of going for specialised training in the particular field of work may also be considered) *Age* ... 30 years (relaxable in case of candidates possessing exceptional technical experience) *Eligibility* candidates must be employed and sponsored by Central/State Governments, universities, colleges comparable institutions of higher education[1] well established firms, workshops or laboratories *Value of Scholarship* (a) maintenance allowance per mensem—D M. 300 (Rs 340) (the remuneration paid by the firms to the trainees if ... will be deducted from this allowance, in case the remuneration is more than D.M. 300 per mensem the trainee will be allowed to retain the entire amount) and (b) passage—as under post-graduate studies *Application Invited* in December of the year preceding the one to which the awards relate

6. Overseas Scholarships Scheme for the S... Castes, Scheduled Tribes and other Backward Classes *Object* to enable duly qualified candidates belonging to Scheduled Castes, Scheduled Tribes and the Other Backward Classes of India to pursue higher studies abroad *No of Scholarships* 12—four each for the Scheduled Castes, Scheduled Tribes and Other Backward Classes (if the required number of candidates with the minimum qualifications prescribed are not available in one of the three groups, the scholarships may be made available to candidates belonging to the other two groups) *Courses of Study* subjects for which adequate facilities are not available in India (preference will

1 See Appendix B

however, be given for advanced study in agriculture, engineering, medicine, science and technology), *Country of Study* any country where the best facilities are available *Duration* one to three years depending on the course of study *Qualifications of Candidates* first class Master s degree or first class Bachelor s degree for candidates with qualifications in engineering or medicine for Scheduled Castes and Other Backward Classes and at least a second class Master s degree *OR* at least a second class Bachelor s degree for candidates with qualifications in engineering or medicine for Scheduled Tribes, *Age* below 35 years *Value of Scholarship* same as under the Central Overseas Scholarships Scheme (in addition each candidate will be entitled to an equipment allowance of Rs. 500 and £ 5 to cover incidental journey expenses each way) *Applications Invited* in August of the year preceding the one to which the awards relate.

7 **Twenty Fully Paid Scholarships Scheme** *Objects* (*a*) to meet the shortage of trained personnel in the country to man the development schemes of the Government, universities, comparable institutions of higher education, etc. and (*b*) to improve the standards of teaching and research in the country *No of Scholarships* 20 *Courses of Study* subjects in which adequate facilities are not available in India *Country of Study* any country where the best facilities are available *Duration* from one to three years depending on the course of study *Qualifications of Candidates* at least a first class Master s degree in any branch of humanities, science or agriculture *OR* a first class Bachelor s degree in engineering technology medicine or veterinary science (candidates with a brilliant educational career throughout will be preferred) *Age* 20—25 years *Eligibility* candidates must have completed their studies and should be engaged in research work or practical training but should not be employed *Value of Scholarship* same as under the Central Overseas Scholarships Scheme *Applications Invited* in March of the year preceding the one to which the awards relate.

SECTION II

Scholarships/Fellowships Under the Colombo Plan Point Four Programme and Wheat Loan Programme

8 **Commonwealth Technical Cooperation Scheme (Colombo Plan)** *Object* to make available to Indian nationals training facilities offered by the participant countries of the plan viz. Australia Canada Japan, New Zealand and the United Kingdom (the Ministry of Education is responsible only for the training of teachers and other educational administrators employed in institutions other than agricultural medical and veterinary science) *Duration* from one to two years depending on the course of study (may be extended in special cases) *Subjects of Training* subjects for which adequate facilities are not available in India and in which higher training is desired for the economic development of the country *Qualifications of Candidates* candidates should possess a good academic record and should have done some research work or have practical experience in their specialised fields *Age* below 45 years (relaxable upto 48 years in exceptional cases, if full justification is furnished), no limit for observation tours *Eligibility* candidates must be sponsored by Central/State Governments universities or comparable institutions of higher education[1] (candidates working in private educational institutions must route their applications through the State Government or the university concerned) *Value of Scholarship/Fellowship* (a) all expenses directly connected with the training such as the cost of international travel, tuition fees and suitable maintenance allowance etc. (b) appropriate leave salary (a candidate should be kept in the pay rolls of the institution concerned) (c) expenditure on travelling up to the port of embarkation in India and back and (d) any other expenditure connected with the pro-

---

1 See Appendix B

paration for departure from India, *e.g.*, on passport medical certificate of fitness, etc., (expenses at (*a*) will be borne by the foreign government(s) concerned, while those at (*b*) (*c*) and (*d*) will be borne by the sponsoring authority) *Applications Invited* in March of the year preceding the one to which the awards relate

9 **Point Four Programme (Technical Cooperation Mission**[1]**)** *Object* to provide such elements of American technical knowledge and skill as may be available and useful in contributing to the general economic development of the country (the Ministry of Education is responsible only for the training of teachers and other educational administrators employed in institutions other than agri cultural, medical and veterinary science) *Subjects of Training* subjects for which adequate facilities are not available in India (so far these have been education en gineering technology home science and public adminis tration) *Duration* from six to 12 months depending on the course of training *Qualifications of Candidates* as under the Colombo Plan *Age* as under the Colombo Plan *Eligibility* as under the Colombo Plan *Value of Scholarship/Fellowship* as under the Colombo Plan *Application Invited* in March of the year preceding the one to which the awards relate

10 **India Wheat Loan Educational Exchange Programme :** *Object* the programme provides for the sending of professors and other academic personnel for observation tour in the United States of America *No of Fellowships* approximately 30 *Subjects of Study/Training* library science and natural sciences (the scope may be extended) *Duration* from five to eight months *Qualifications of Candidates* Diploma in Library Science (for librarians) Master's degree in science (for Scientists) and Master's degree in arts (for others) *Age* below 50 years for librarians, below 45 years for junior scientists and below

---

1. Candidates can be sponsored either under Scheme No. 8 or 9 but not under both. Training facilities under Scheme No. 9, are also available to institutions which have been assigned … under the Programme

55 years for senior scientists (relaxable in special cases) *Eligibility* candidates must be in the employment of a university or an institution of higher learning and recommended by their employers *Value of Fellowship* (a) maintenance allowance of $ 8-12 per day (b) exemption from payment of tuition fees, (c) cost of travel both in India and the United States of America and (d) tourist class air travel both ways *Applications Invited* in March of the year to which the awards relate

SECTION III

U N and Unesco Fellowships and Scholarships Programmes

11 U N Social Welfare Fellowships and Scholarship Programme *Object* to allow opportunities to participating Governments to send abroad suitably qualified Social Welfare personnel to gain additional knowledge and experience of their particular subjects of specialisation *Duration* from three to six months for fellowship and from one to two years for scholarships *No of Scholarships/Fellowships* four to six *Nature of Awards* the fellowships are granted to qualified senior social welfare officials to enable them to study the practice of other countries in the field of social welfare while the scholarships are awarded to candidates from countries having no appropriate specialised training facilities in the subject for which training is required *Fields of Observation* (i) social developments (general) (local community organisation for social development mutual aid organisation including cooperatives) (ii) social welfare administration (methods of organising coordinating financing and staffing social welfare services training of social welfare staff) (iii) community family and child welfare (legal aspects, economic measures favouring the family measures for the aged) (iv) social measures of a general nature (counselling and guidance for families, social services

connected with physical and mental health, education, employment social security etc. methods of casework, group work and community organisation, recreational facilities for families and children, rural welfare services) (*v*) social measures for children (improvement of social and domestic conditions affecting child labour discovery and diagnosis of children in need of special care, care of children deprived of normal home life special care of the handicapped children) (*vi*) migration (demographic effects of migration, improvement of migration statistics as aids in economic and social planning, social services and facilities necessary for immigrants and their families arriving in new community status of aliens) (*vii*) social defence (police activities positively directed towards the prevention of crime, especially with regard to juvenile delinquency prevention and treatment of juvenile delinquency prevention of crime and treatment of adult offenders, traffic in persons), (*viii*) rehabilitation of the handicapped (general policy and administration of rehabilitation services, manufacture, fitting and training in use of prosthetic appliances, occupational therapy aftercare services, etc. social services for disabled persons) (*ix*) housing and town and country planning (housing—urban and rural town and country planning, including social aspects), (*x*) population (study of population trends and their relation to problems of economic development and social welfare methods of field surveys designed to provide information on population changes in relation to economic and social changes, improvement of demographic statistics as aids in economic and social planning legislative and administra tive measures affecting population trends), (*xi*) statistics and research (social surveys and social research, methodology of studying standards of living) (*xii*) human rights and fundamental freedom (methods of improving the status of the individual and promoting observance of human rights and fundamental freedom without distinction as to race sex, language or religion) *Qualifications of Candidates* at least a bachelor s degree and at least three years (two years in case of candidates possessing a degree or a equivalent diploma in social welfare) teaching or pract.

experience in the particular fields of social welfare in which they desire to go for observation *Eligibility* candidates must be in actual employment in the particular branch of social welfare in which they desire to go for observation and should be sponsored by the Central/State Governments, universities, comparable institutions,[1] or social welfare organisations *Age* preferably between 25 and 40 years; *Value of Fellowship/Scholarship* (*a*) a monthly living allowance ranging from $ U.S 135 to $ U.S 300 to each Fellow and from $ U.S 100 to $ U.S 200 to each scholarship holder depending upon the country of study (this allowance is intended to cover normal living expenses and varies from one country of observation to another according to the cost of living), (*b*) essential travel within the host country up to a limit which will be determined for each country of observation, (*c*) a limited amount for the purchase of indispensable technical publications, (*d*) tuition and related fees for scholarship holders, (*e*) cost of round trip tourist class air ticket to and from the country of observation abroad, (*f*) single first class railway fare from place of duty to port of departure in India and back (on return journey home) (*g*) actual fees for obtaining passport visa and medical examination (expenses at (*a*) to (*d*) and 50 per cent of (*e*) will be born by the U N O., while those at (*f*) and (*g*) and 50 per cent of (*e*) will be met by the sponsoring authority)[2] *Applications Invited* in July of the year preceding the one to which the awards relate

12. Unesco Technical Assistance (Normal) Programme *Object* to enable Indian nationals to receive training abroad in certain special fields *Subjects of Training* education and science (awards during 1956 were in educational psychology and zone problems, oceanography and production of reading material for new literates; *No of Scholarships* not fixed *Duration* from six to twelve months depending on the training programme *Programme of Training* Unesco will prepare programmes of training

---

1 See Appendix B

2 In special cases expenditure for these items may be met by the Government of India.

designed to meet the particular research requirements of the institution to which the successful candidate is normally attached or will be attached on return home *Qualifications of Candidates* these vary with the subject of the Fellowship but generally a good university degree and three to five years experience are the minimum requirements *Age* normally below 45 years *Eligibility* candidates must be sponsored by Central/State Governments, universities and comparable institutions of higher education[1] *Value of Fellowship* (*a*) maintenance allowance[2] —the rates vary in relation to the cost of living in the various countries of study they are expressed and paid in local currency and range from the equivalent of $ 130 ("resident status) to the equivalent of $300 (' travel status) per mensem, (*b*) $ 50 for the purchase of books necessary for the studies, (*c*) additional funds to meet incidental expenses such as tuition fees and travel inside the country/countries of study and (*d*) round trip travel *Applications Invited* in April of the year preceding the one to which the awards relate.

13. Unesco Expanded Technical Assistance Programme *Object* awards are made by Unesco as part of an agreed project of technical assistance to train suitable individuals *Subject of Training* in fields associated with the technical assistance being rendered *Country of Training* as may be decided by UNESCO *Duration of Fellowship* up to one year with possibility of extension if found necessary *Qualifications of Candidates* candidates should have a good academic record and professional experience in the field of study for which training is required *Age* normally below 45 years *Eligibility* candidates must be nominated by institutions receiving technical assistance under the programme *Value of Fellowship* as under the normal Programme *Applications Invited* from institutions for their requirements in April of the year preceding the one to which the awards relate

1 See Appendix B

2 These monthly allowances are intended to cover normal living expenses and are reviewed from time to time in the light of changes in the local cost of living situation.

SECTION IV

Scholarships and Fellowships Offered by Foreign Governments[1]

14. **Fellowships offered by the Government of the Netherlands** *Object* promotion of cultural relations with India *No of Fellowships* one *Duration* one academic year which may be extended to two years in case of satisfactory work *Subjects of Research* post graduate research in physics (low temperature physics electron optics or nuclear physics) mathematics (computational mathematics) radio astronomy chemical technology phytopathology hydrobiology veterinary science hydraulics, civil engineering or medicine and surgery *Qualifications of Candidates* a first class Master s degree or a second class Master s degree with a first class Bachelor s degree in science *OR* a first class Bachelor s degree in veterinary science civil engineering or medicine *Age* below 35 years *Value of Fellowship* (a) maintenance allowance of approximately Rs. 2,800 for six to eight months, (b) exemption from payment of tuition fees and (c) cost of second/tourist class sea passage both ways whichever is available (to be paid by the Government of India) *Applications Invited* in May of the year to which the award relates.

15 **Scholarships offered by the Federal Republic of Germany** *Object* promotion of cultural relations with India *No of Scholarships* not fixed (nine during 1956-57) *Duration* one year *Subjects of study* post-graduate study or research in any subject (scientific engineering and technological subjects to be preferred) *Qualifications of Candidates* (a) a first class Master s degree or a second class Master s degree with a first class Bachelor s degree in arts or science *OR* a first class Bachelor s degree in engineering technology or medicine and (b) working know

---

1 The account given in this Section relates to regular offers only

ledge of the German language; *Age* below 27 years *Value of Scholarship* (a) maintenance allowance of D.M. 300 (Rs. 340) per mensem and (b) travelling expenses from the German Frontier to the place of study in Germany and back (all other expenses including cost of passage, will be borne by the candidates) *Applications Invited* in February of the year to which the awards relate.

16 **Scholarships offered by the Government of France** *Object* promotion of cultural relations with India, *No of scholarships* eleven *Duration* one or two years depending on the course of study with a possibility of extension for a third year in special cases *Subject of study/research* not specified (candidates may apply for any subject which interests them) *Qualifications of candidates* (a) a first class Master s degree in arts, science, agriculture or education *OR* a first class Bachelor's degree in engineering, medicine, technology or veterinary science, *OR* a good degree or an equivalent diploma in painting or sculpture (a) at least two years teaching or research or practical experience and (c) a good knowledge of French, both spoken and written (candidates called for interview will have to take a test in French) *Age* below 35 years *Eligibility* candidates must be engaged in teaching work (of degree/post graduate classes) or research in universities, comparable institutions of higher education[1] or recognised colleges and sponsored by their employers; *Value of scholarship* (a) maintenance allowance of 30 000 Francs (about Rs. 410/) p.m. (b) special lodging allowance wherever rent is above a fixed proportion of the scholarship (c) free tuition (d) free medical service and treatment whenever required (e) cost of second/tourist class sea passage both ways (if the scholarship period is more than one year maintenance allowance is also payable during the summer vacation, i e., July October) *Applications invited* in January of the year to which the awards relate.

17 **Scholarships offered by the Government of Italy** *Object*: promotion of cultural relations with India *No. of*

---

1 See Appendix B

Scholarships three *Duration* one year *Subjects of Study* any branch of humanistic study science, engineering technology agriculture (growing of olive trees, vine tobacco rice and grains) education or fine arts *Qualifications of Candidates* (*a*) a first class Master s degree or a second class Master s degree with a first class Bachelor s degree in arts science agriculture or education *OR* a first class Bachelor s degree in engineering or technology *OR* a good degree or an equivalent diploma in fine arts, (*b*) working knowledge of the Italian language and (*c*) at least three years practical experience (in case of candidates for technical specialisation) *Age* below 35 years *Value of Scholarship* (*a*) maintenance allowance of 50 000 Lire (Rs. 380) per mensem, (*b*) lump sum allowance (for miscellaneous expenses) of 10,000 Lire (Rs. 76) and (*c*) fees paid by the scholars will be refunded to them (*d*) cost of second tourist class sea passage both ways, whichever is available (to be borne by the Government of India) *Applications Invited* in April of the year to which the awards relate

18. **Scholarships offered by the Government of Norway** *Object* promotion of cultural relations with India *No of Scholarships* one *Duration* six to eight months *Subjects of Study* post graduate study or research in any subject (Norwegian language and literature history arts economics educational system or natural sciences to be preferred) at the University of Oslo/Bergen or any other institution of higher education in Norway *Qualifications of Candidates* a first class Master s degree or a second class Master s degree with a first class Bachelor s degree in arts or science (candidates having knowledge of Norwegian or any other Nordic language to be preferred) *Age* below 35 years *Value of Scholarship* (*a*) maintenance allowance of Kroners 3,200 (Rs. 2,130) for the entire period of scholarship (*b*) exemption from payment of tuition and examination fees and (*c*) cost of second/tourist class sea passage both ways, whichever is available (to be paid by the Government of India) *Applications Invited* in June of the year to which the award relates.

19 Scholarship offered by the Government of Switzerland *Object* promotion of cultural relations with India, *No. of Scholarships* one (two in 1956-57) *Duration* one year *Subjects of Study/Research* post-graduate study or research in any branch of science, technology or engineering at any of the Swiss Universities or the Federal School of Technology in Zurich, *Qualifications of Candidates* (a) a first class Master's degree or a second class Master's degree with a first class Bachelor's degree in science or agriculture *OR* a first class Bachelor's degree in engineering or technology and (b) working knowledge of the German or French language according to whether the institution of study is situated in the German or French speaking part of Switzerland, *Age* below 35 years, *Value of Scholarship* (a) maintenance allowance of 500 to 700 Swiss Francs (Rs. 540 to 760) (the exact amount will be fixed by the Swiss Government according to the academic standard of the candidate and the programme of studies) (b) exemption from the payment of tuition fees and (c) cost of second/tourist class sea passage both ways, whichever is available, (to be borne by the Government of India) *Applications Invited* in April of the year to which the award relates.

Section V

Scholarships Offered by Foreign Institutions and Organisations[1]

20 British Council Scholarships *Object*: to enable Indian nationals to do research work in the United Kingdom *No of Scholarships* not fixed (four for 1957 58) *Duration* one academic year of about ten months; *Subjects of Study/Research* the subjects vary every year (for 1957 58 the scholarships were offered for work in commonwealth studies, social studies, public administration, and

1 The account given in this Section relates to regular offers

English phonetics) *Nature of Awards* the scholarships are not intended for obtaining university degrees or other professional or practical qualifications, although with special permission this may be allowed if extension of the scholarship period is not involved *Qualifications of Candidates* vary according to the subjects for which the scholarships are offered, generally these are (*a*) at least a second class Master's degree in the subject concerned, (*b*) a degree or an equivalent diploma in Education and (*c*) at least three years experience in the teaching of the subject in a University or a recognised educational institution *Age* 25-35 years *Eligibility* candidates must be employed and sponsored by Central/State Governments, universities or recognised educational institutions *Value of the Scholarship* a full scholarship includes (*a*) personal maintenance grants, which will vary according to the place in which the selected candidates are to study (*b*) tuition fees, (*c*) a grant for books and apparatus of £10 per annum (*d*) fare to and from the United Kingdom and approved travelling expenses in the United Kingdom (the Council may award scholarships entitling holders to any or all of these grants as may be appropriate) *Applications Invited* in August of the year preceding the one to which the awards relate

21 Brush Aboe Group Commonwealth Scholarships Scheme *Object* the scheme, besides allowing to 'Commonwealth nationals study of the products and methods of production of the Brush-Aboe Group of Companies in the United Kingdom, aims at widening the scope of the engineering profession and strengthening the relationship existing between the United Kingdom and the Commonwealth *No of Scholarships* one (for Indian nationals) *Duration* two years *Course of Training* apprenticeship courses are arranged in detail to suit individual circumstances but the entire programme is divided into three parts (*a*) a general training in basic manufacturing procedures—machining fitting metal fabrication by welding and casting and the use of tools for the first year (*b*) training in different factories in the Group where instruction will be given on operations such as assembly,

testing and the application and installation of products manufactured by the Group according to the field selected by the apprentice and (*c*) towards the end of the course detailed study of a particular activity (to be selected by the apprentice) either in the Design, Sales or *Production Departments* (the Group organises, in collaboration with the University and Technical Colleges local to the factories, advanced engineering courses for the benefit of apprentices who can also attend evening courses in industrial administration) *Qualifications of Candidates* (*a*) a first class degree in mechanical or electrical engineering graduates whose studies have included both these subjects to be preferred), (*b*) the year of graduation should be that preceding the one to which the award relates (those who graduate one or two years earlier may also be considered if they have exceptionally good practical experience in their chosen profession) and (*c*) ability to assume responsibility take initiative and cooperate with others *Age* not fixed *Value of Scholarship* (*a*) maintenance allowance of £6 9s. 0d. per week (for men over 21), (*b*) cost of tourist class passage from the place of residence to the place of training in the United Kingdom and back and (*c*) any additional and necessary travelling expenses in the United Kingdom *Applications Invited* in February of the year to which the award relates.

22. Federation of British Industries (United Kingdom) Overseas Scholarships *Object* to enable selected engineering graduates to have the best available practical training in all branches of engineering in the United Kingdom (the scholarships are designed for candidates who will be concerned with natural resources and public utilities and not with the establishment of secondary industries) *No. of Scholarships* six of which three will be fully paid (type A) and three divided between types B and C (type A and B scholarships are for those who require general practical training while type C are for candidates who wish to obtain specialised knowledge in a particular branch of engineering) *Duration* two years for types A and B scholarships and six to 12 months for type C scholarships *Subjects of Training* tra

is provided in all branches of engineering but placements are found more easily for electrical and mechanical engineers (industrial training courses can usually be arranged in Works producing capital equipment as distinct from Works using such equipment to produce consumer goods, *e.g.*, chemical engineers can only be placed in Works manufacturing chemical plants and not in Works producing chemicals similarly metallurgists requiring experience in Works manufacturing ferrous or non-ferrous metals cannot be accepted but metallurgical engineers requiring experience with manufacturers of steel works plants and foundry equipment may be accepted) *Qualifications of Candidates* (*a*) for types A and B—at least a second class Bachelor s degree in engineering which must have been obtained not more than three years preceding the one to which the awards relate and not more than two years industrial or practical experience and (*b*) for type C at least a second class degree or an equivalentd iploma in engineering and not less than five years practical experience *Age* below 35 years for type C but no age limit for others *Value of Scholarship* (*a*) maintenance allowance of £420 per annum (free of income tax) for types A and B and £500 per annum (free of income tax) for type C (types B and C scholarships require a contribution from the scholars at the rate of £100 per annum for the period of the scholarship, these contributions are payable in full before the departure of the scholars for the United Kingdom (*b*) free medical treatment in the United Kingdom under the National Health Insurance Scheme (*c*) cost of passage (for type A scholars this will be borne by the Federation and for types B and C scholars by the Government of India) and (*d*) a shipboard allowance of 10 shillings per day for the period of the journey to and from the United Kingdom (for type A scholars only) *Applications Invited* in August of the year to which the awards relate.

23 London University Institute of Education Fellowships *Object* the Fellowships are intended to provide opportunity for men and women of promise and considerable experience to pursue the Associateship course of

the Institute *Subject of Study* each fellow will be required to select some live and important educational problem and make a comparative study of the corresponding problem in the United Kingdom and through his/her contact with other Fellows from other commonwealth countries and submit a report *No of Fellowships* two *Duration* one academic year which commences normally in October every year *Qualifications of Candidates* (a) at least a second class Master's degree with a first class Bachelor's degree (b) at least a second class degree in Education and (c) three years teaching experience *Age* 30-35 years *Value of Fellowship* the total value is £550 including an allowance up to £50 for travel within the United Kingdom or nearby parts of Europe (passage expenditure both ways, has to be borne by the Fellows) *Eligibility* candidates must be sponsored by the Central/State Governments, universities or training institutions *Applications Invited* in December of the year preceding the one to which the awards relate

24. Science Research Scholarships of the Royal Commission for the Exhibition of 1851 *Object* to enable students who have already completed a full university course and have given evidence of capacity for scientific investigation to devote themselves to research work under conditions most likely to equip them for practical service in the scientific life of the Commonwealth *No of Scholarships* only one for Indian nationals *Duration* ordinarily two years but may in exceptional cases be renewed for a third year *Subject of Research* some branch of pure or applied science *Country/Institution of Study* any institution approved by the Commissioners in the United Kingdom or abroad but scholars will not be permitted except in very special circumstances, to conduct investigations in the country in which the scientific education has been received *Qualifications of Candidates* (a) at least a first class Master's degree in science, (b) at least two years research experience and (c) the record of a candidate's work must indicate high promise of capacity for advancing science or its applications by original research (evidence of this capacity which is the main qualification for the

scholarship, is essential and should take the form of a full account by the candidate of the research work done, eitheir in the form of a publication or of a thesis or a manuscript report) *Age* ordinarily below 26 years *Eligibility* a candidate must have been a student of science in a university or university institution for a period of not less than three years and must have spent one full academic year ending not more than twelve months prior to the date of recommendation at the institution which is the recommending authority *Value of Scholarship* basic value is £550 per annum but the following additional allowances may be granted (*i*) extra grant of £25 on presenting, within three months of the expiration of the scholarship a complete and satisfactory account of work done and (*ii*) an additional annual allowance not exceeding £50 towards the cost of university fee, research expenses etc if in the opinion of the Commissioners the scholar is in need of such allowance (scholars not in a position to travel at their own expense or who find it impossible to obtain a free passage may apply for aid towards payment of fare from the home town to the place of study but as the Commissioner s funds for this purpose are limited, grants that may be made will not necessarily cover the full cost of the fare) *Applications Invited* in October of the year preceding the one to which the award relates.

25 Rutherford Scholarship of the Royal Society[1] *Object* as under the Science Research Scholarship *No of Scholarships* one but is not earmarked for nationals of any country *Duration* three years *Subject of Research* experimental research in any branch of the natural science but if there are candidates of similar merit some preference will be given to experimental physics *Country of Study* some part of the British Commonwealth other than that in which the candidate graduated, *Qualifications of Candidates and Eligibility* as under the Science Research Scholarship *Age* below 26 years *Value of Scholarship* (*a*) will be

---

1 Candidates can apply for both the scholarships at serial Nos. 23 and 26 but should state clearly against the application form whether they would like to be considered for the Science Research Scholarship or the Rutherford Scholarship or for both.

adjusted to meet the circumstances of the appointment but if held in the United Kingdom will be between £600-800 per annum (*b*) additional allowances will be granted for travel, university fees, etc. *Applications Invited* in October of the year preceding the one to which the award relates.

26. Training Scheme of the London Transport Executive, United Kingdom *Object* to make available the offer of the London Transport Executive, United Kingdom for training Indian nationals; *Duration* three months, which may be extended up to six months at the discretion of the authorities *Subjects of Training* traffic operation and engineering (Candidates desirous of having training in the former will be preferred) *Programme of Training* the programme of training is arranged to suit the requirements of each trainee but the following are the broad outlines (*a*) a period of attachment to the traffic operating and administrative departments of the Executive where the trainee is given facilities to study the day to-day operation of services, compilation of schedules, development and extension programmes, commercial practice, accounting and audit, claims procedure, head and divisional office administration and other matters in accordance with the particular requirements of the person in training, (*b*) a period of attachment to the mechanical engineering departments of the Executive during which facilities are given to the trainee to study the planning and operation of overhaul and maintenance programmes, workshop, garage and depot organisation and head and divisional office administration and specialist training—for short periods of attachment to the departments concerned (trainees are not expected to take a practical part in the work of any department to which they are attached and no arrangements can be made for engineering trainees to carry out practical work in garages and workshops and no diploma is issued to trainees upon completion of training but a statement of subjects studied is given on request) *Qualifications of Candidates* (*a*) at least a bachelor's degree with Economics as one of the subjects or a degree or a diploma in Mechanical Engineering and (*b*) at least five years practical experience in the line *Eligibility* -

dates must hold a senior post in a transport undertaking and should be sponsored by the Central/State Governments or a transport organisation of good status and who, on return after completing the training in the United Kingdom will be employed by the sponsoring authority; *Financial implications* no wages or salary are paid to the trainee and no premium is required by the Executive but certain free travel facilities are provided on the Executive's services (the cost of passage from India to the U.K. and back and maintenance and other expenses for the entire period of stay abroad etc will have to be borne either by the candidates themselves or by their sponsors) *Form of Indemnity* the sponsor and the trainee are required to sign the Executive's standard form of indemnity undertaking to indemnify the London Transport Authority against all claims for damage loss or injury arising out of the training; *Applications Invited* in August of the year preceding the one to which the offer relates.

27 **Training under the auspices of the International Association for the Exchange of Students for Technical Experience (I A E S T E.)** *Object* the main object of the Association is to arrange facilities for practical training for students belonging to various member countries (these are besides India, Austria, Belgium Canada, Denmark, Finland, France Germany Great Britain, Greece, Ireland, Israel, Italy Netherlands, Norway, Portugal Spain, Sweden, Switzerland Turkey the United States of America and Yugoslavia) *No of Offers* not fixed, *Duration* from six to 12 months, *Qualifications of Candidates* a second class degree in engineering or science and not more than six months training experience *Age* below 25 years *Financial Implications* firms offering training facilities may pay some remuneration to the trainees and in some cases board and lodging and medical treatment may also be provided (the rest of the expenditure including cost of passage from the place of residence in India to the place of training in the foreign country and back will have to be borne by the candidate) *Applications Invited in March of the year to which* the offers relate

Appendix A

General Conditions

Submission of Applications

(i) All requests for scholarships (except under Scheme No 10) have to be made on the relevant prescribed application form (Appendix F) obtainable from the Ministry of Education.

(ii) Unless otherwise stated each application generally comprises

(a) one copy of the Ministry of Education application form,

(b) one attested copy each of the degrees, diplomas, certificates, mark sheets etc. in respect of statements regarding educational and technical qualifications, experience etc., made in the application,

(c) one attested copy of the Matriculation or equivalent certificate in support of age

(d) list of research papers, publications, etc. with copies,

(e) release and employment certificate in original (in case of sponsored candidates), and

(f) one copy of recently taken passport size photograph

(iii) Except in Schemes No 1 13 and 19 each application must be accompanied by a crossed postal order for Rs.[1] 5/ (Rs. 1/4 in case of Scheduled Castes, Scheduled Tribes and Other Backward Class, who must produce a certificate to the effect that they belong to one of these classes), addressed to the Ministry of Education. Money orders or cheques will not be accepted. This fee is not refundable by Government in any case.

---

1 Rs. 7/8 in case of Scheme No. 7

(iv) Candidates should in no case send original copies of their degrees, diplomas, certificates etc. No request for returning any documents or postal order enclosed with the application will be entertained in any case.

(v) Applications should be filled up in neat hand or in type All papers should be properly stitched so that no papers get astray

(vi) Applications complete in all respects must reach by the prescribed date. Incomplete applications or those received after the prescribed date will neither be considered nor returned.

(vii) Wherever the sponsorship condition is essential, applications must be sent through the sponsoring authority Government servants should send their applications through the proper channel.

Qualifications of Candidates

(a) Candidates who possess qualifications which are recognised as equivalent to those prescribed under the various schemes are also eligible to apply

(b) wherever no class or division is awarded, 60 per cent (or above) of the total number of marks will constitute first class, below 60 per cent and above 50 per cent as second class and below 50 per cent as third class and

(c) no request for relaxation of qualifications will be entertained

Age

The crucial date for age will generally be the last date of receipt of applications in the Ministry of Education.

Interview

Candidates must if required, attend interviews. They will be paid 3rd class railway fare from their normal place of residence/duty to New Delhi by the shortest route or from the place from which they have actually performed the journey whichever is less and back

Medical Certificate

Each selected candidate will have to furnish a medical certificate from a Civil Surgeon of physical fitness to undergo the requisite study/training abroad

Bond

Each selected candidate will have to execute a bond, to abide by the terms of the award. A specimen copy of the bond for Central Overseas Scholarships Scheme is given in Appendix 'G'. Although the amount varies with each Scheme the general conditions of the bond are more or less the same for all the Schemes.

Result of Selection

Only selected candidates will be informed of the results of selections. A list of these candidates will also be released in the leading newspapers.

Admission

Admission/training arrangements in the country of study will be made by the Government of India.

Passage

Wherever the cost of passage is to be borne by the Government of India, all arrangements for outward journey will be made by the Ministry of Education.

Transport and visas

All arrangements for passport, visas, etc. have to be made by the candidates themselves. Applications for passport should be made to the Regional Passport Officer concerned on receipt of the offer of award.

Incidental expenses

The Government of India do not pay any incidental expenses during the journey. If scholars like, they can take some money with them by obtaining the necessary permit from the Reserve Bank of India.

Month of inviting Applications

The information for this item as given under the various Schemes is approximate

(i) when the Government is satisfied that due to some unforeseen circumstances or sudden deterioration of financial position it is no longer possible for the parent/guardian to support the ward or meet the cost of return journey

(ii) the student requires some temporary relief from the Government due to delay in receipt of remittances, and

(iii) when the student has completed the course but desires to undertake study or training for another course for which the parent/guardian is unable to provide necessary funds A loan to a student belonging to this category can be given only if the following conditions are satisfied

(a) that the candidate is of first class merit or has shown capacity for original research which should be a contribution to knowledge. Merit will be judged by taking into consideration the entire scholastic record and actual work/research in the candidate's own field. The opinion of the competent authorities of the institutions concerned in India as well as abroad about the work of the student will be given due consideration

(b) the course of study or training pursued or proposed should be one which is useful from the country's point of view and

(c) the second course is regarded as an integral part of the scheme of training covering the entire period of stay in the country abroad

2 All applications have to be sent through the Indian Mission in the country of study

Loans Payable in India

3 The following categories of persons will be considered for the grant of loan to meet the cost of one way passage (including the cost of equipment and kit) from India to the foreign country concerned and/or to supplement the cost of maintenance abroad, provided the

Government is satisfied that they have no source of their own from which they can meet this expenditure wholly or partly

(i) persons who are awarded scholarships/fellowships by foreign governments/institutions/organisations carrying a stipend of adequate value

(ii) persons awarded research/teaching assistantships/facilities for practical training in industrial concerns—by foreign governments/institutions/organisations carrying a stipend of adequate value

(iii) teachers in universities, colleges and other institutions of higher learning who secure appointments in foreign universities on a salary basis for a specified period in recognition of their distinguished career, and

(iv) persons who possess a brilliant academic record and wish to go abroad for higher studies at their own expense after completion of studies in India.

Loans to persons in the above categories will be granted only if necessary facilities for the course of study or training are not available in India and that such study/training is likely to be useful from the country's point of view

4. The amount of loan to be given for maintenance abroad will be determined in each case by the Government with reference to the applicant's needs and his ability to repay the loan but no loan will be given in any case where the value of scholarships etc. awarded by the foreign government/institution is more or less equal to the rates of scholarships which the Government of India have adopted in the country concerned. Moreover the total amount of loan that can be given in an individual case will not exceed four thousand rupees. Only in very rare cases may this limit be raised to five thousand rupees.

5 Loans will be given only in cases where it is satisfactorily established that the financial condition of the candidate and his parent/guardian is such that/he will not be in a position to go abroad unless the financial assistance is made available by the Government.

6 Applicants who are employed in a government department university institution or any other organisation etc should apply through the proper channel; otherwise their applications will not be considered.

General Rules

The grant of loans is subject to the following general rules

7 All assistance from Government will be on a loan basis only on which interest at Government rates, fixed from time to time will be charged. A bond (in duplicate in the prescribed form) for refund of the loan will have to be executed by the applicant and signed by two solvent sureties who should be nationals of India and who are prepared to refund the amount of loan together with interest accrued thereon in case of default by the candidate

8 The loan will be refundable in instalments to be determined by the Government with reference to the amount of loan and the ability of the party to repay the loan, but in no case will the number of instalments exceed 30 The individual must begin repayment of the loan on the expiry of six months after returning to India or on employment in India/abroad whichever happens earlier

9 The applicant should intimate the probable date of departure from the country of study to the Indian Mission concerned and actual date of arrival in India to the Ministry of Education, New Delhi, within a week of reaching India. Failure to do so will be treated as a breach of the bond. In case he/she does not report the date of arrival to the Ministry within a month from the date of arrival in India, he/she shall forthwith repay to the Government the whole amount of loan together with interest accrued thereon in one instalment.

10 The Government of India reserve the full right to reject any application without stating any reasons.

11 The words he/his/him used in these rules should be read as she/her/her s in the case of women candidates.

Appendix E

Terms regarding Pay, Special Leave, etc. to be granted to Central Government Servants sent for Higher Studies/Training Abroad

Central Overseas Scholarships Scheme Foreign Languages Scholarships Scheme, Indo-German Industrial Cooperation Scheme and Overseas Scholarships Scheme for the Scheduled Castes Scheduled Tribes and Other Backward Classes

(*a*) maintenance allowance, rail and sea fare, tuition and examination fees, cost of books, etc. as admissible under the above mentioned schemes, and

(*b*) special leave on half average pay on the following terms

(*i*) the period of special leave will count as service for promotion, and if the Government servant is in pensionable service, for pension also

(*ii*) special leave will not be debited to the leave account of the Government servants;

(*iii*) the leave salary during the special leave will be[1] equal to half average pay subject to a minimum of Rs. 500 provided that in no case will it exceed the average pay For this purpose, in the case of a Government servant to whom the Revised Leave Rules, 1033 apply "average pay' will mean the amount determined under rules 15(1)(*i*) or rule 15(1)(*ii*)(*b*) thereof, whichever is higher and half average pay" will mean the amount determined under rule 15(2) of those rules. The leave salary will also be subject

1 There is no minimum limit in the case of Overseas Scholarships Schemes for Scheduled Castes Scheduled Tribes and Other Backward Classes.

to the maxima prescribed under Fundamental Rule 89 or Rules 15 (2) of the Revised Leave Rules, as the case may be and

(iv) in addition to the leave salary dearness allowance will be granted as laid down below

Range of Leave Salary	*Amount of Dearness Allowance*
Not exceeding Rs. 50	Rs. 20
Exceeding Rs. 50 but not exceeding Rs. 100	Rs. 25
Exceeding Rs. 100 but not exceeding Rs 150	Rs. 27/8
Exceeding Rs. 150 and not exceeding Rs. 230	Rs. 30
Exceeding Rs. 200 and not exceeding Rs. 250	Rs. 32/8
Exceeding Rs 250 and not exceeding Rs. 300	Rs. 32/8
Exceeding Rs. 300 and not exceeding Rs. 465	Rs. 35
Exceeding Rs. 465 and not exceeding Rs. 499	Amount by which the leave salary falls short of Rs 500
Rs. 500 and above	Nil

While the expenditure on the leave/salary and dearness allowance of the Government servants will have to be met by the Department or Institution concerned from its own budget, the expenditure on the maintenance allowances and other concessions admissible under the above mentioned schemes will be met by the Ministry of Education.

Training Schemes of the United Nations the Colombo Plan, the United States Technical Assistance Programme, etc

(a) If the period of training (exclusive of travel time from India to the country of training and

back) does not exceed six months, the entire period of the Government servant s absence from his post in India will be treated as deputation on full pay (with dearness allowance) which he would have drawn had he remained on duty in India

(b) if the period of training exceeds six months, the first six months of absence from his post in India will be treated as deputation under clause (a) and the remaining period will be covered by the grant of special leave on half average pay on the terms mentioned in para (b) on page 33

Schemes operated through Non-official Channels

Normally special leave on half average pay on the terms mentioned on page 33 (without the minimum limit mentioned therein) may be granted for the entire period of training, if the training has a direct bearing on the subjects with which the Government servant is con cerned within the sphere of his/her duties. Exceptions to this procedure may be made when Government them selves obtain the facilities for training under non-official auspices for a Government servant who would otherwise have had to be trained under the official schemes either as a condition of appointment of the Government servant or in the interest of Government work. In such cases, the deputation-cum-special leave terms referred to on page 33 may be sanctioned.

APPLICATION FORM FOR SCHOLARSHIP

Number and value of postal order attached

____

____

Passport size Photograph to be pasted here

GOVERNMENT OF INDIA
MINISTRY OF EDUCATION
(SCHOLARSHIP DIVISION)

1 Name in full (in capital letters)

2. Scheme under which you are a candidate

3 *Name of the sponsoring authority and/or name of the authority which will employ you after return from abroad

4 Date of birth

5 Give the following particulars concerning your university or other higher education

Name of the Institution	Date of Entry	Date of Leaving

*Strike out if not applicable

6 Give particulars of all examinations passed and degrees obtained at the university or other places of higher or technical education or instruction commencing with Matriculation or equivalent examination

University/ Board	Examination Passed	Year	Class or Division with percentage of marks and position, if any	Subjects Taken

7 Have you done research work or published any papers ? If so give particulars and if possible send copies of papers. If the space below is insufficient for this purpose please give full particulars on a separate sheet of paper

8. Have you taken any practical training ? If give the following particulars.

Name of Firm	Date of Joining	Date of Leaving	Honorarium, Stipend or Apprentice-ship Allowance, if any	Nature of Training

9 Special distinctions obtained in university/college, if any

10 Names of foreign languages known indicating proficiency attained in each case

11 Have you been employed ? If so, give the following details

Name of Employer	Date of joining	Date of Leaving	Post Held	Monthly Salary Rs.

(a) Proposed subject of study/training
(b) Period of study/training
(c) Name of the institution/firm in which admission/training is desired
(d) Degree, if any sought

Future prospects after training
(a) Plans for the future
(b) How are these related to the technical or economic achievement of the country ?

Have you applied for any other scholarship (s) ? If so state the name(s) of the scholarship(s) and the subject(s) of study/training proposed therein

Have you been outside India ? If so, give the following particulars

Country Visited	Date of Visit	Duration of Visit	Purpose of Visit

Give below the names of two persons (they must not be related to you) who are in a position to testify from their personal knowledge as to your fitness for the proposed course of study

(i) Name
Status
Address

(ii) Name
Status
Address

17 Address of the Applicant
(i) Present
